Important Notes (as referenced on page 1)

SPE Start by taking the Spanish Placement Evaluation before enrolling in a Spanish class, it is available on-line at

<http://spanport.unm.edu/placement-evaluation/index.html>

A A. Students who place into a 100 or 200 level course should take whatever course the placement results specify.

B. Students who place into 301 or above **must talk with the Undergraduate Advisor for Spanish before enrolling in any Spanish course.** Also, use the "300 level Spanish courses + Four Year Road Map"

1. Intensive Language courses: 275 = 101 and 102 in one course (6 cr.hrs.); 276 = 201 and 202 in one course (6 cr. hrs)

Credit is only awarded for 101 and 102 - **OR** - 275, not all 3 courses - also - credit is only awarded for 201 and 202 - **OR** - 276

2. Portuguese 277 (6 cr. hrs.) is an **accelerated course for Spanish speakers with strong language skills.**

It is the equivalent of covering PORT 101, 102 & 276 in one semester.

3. Third Language credit hours may be applied to minor or second major requirements. The major requires "demonstrated" 202

skill level which may be established by either a Foreign Language Proficiency test administered by a faculty member, or by taking the necessary language courses. Due to the similarities between the two languages, Portuguese is a recommended third language.

Knowing both Spanish and Portuguese increases available job opportunities.
