

Information regarding Artifacts submission for General Education

Information you will need for the submission form

Instructor Name

College/School/Branch

Course Number

Student Grade Level

Assignment Type (written, oral, lab report, visual work or representation, etc.)

Assignment Description (however you described the assignment to your students)

Essential Skill and Dimensions

The Critical Thinking Artifacts Themselves - de-identified of student information if possible

The form can take many different artifact types (excel, word, PDF, PowerPoint, etc.) but if you have a video recording you will have to upload to youtube/equivalent and share the link with us on the form.

In the submission form, you will be asked to emphasize at least 2 of the 4 dimensions.

Choose two dimensions of the Critical Thinking Essential Skill that are most relevant to the assignment*

Problem Setting

Evidence Acquisition

Evidence Evaluation

Reasoning/Conclusion

Description of Dimensions for Critical Thinking

Problem Setting - Proficient students of this skill are able to state an open ended problem or question, appropriate to the context, clearly and comprehensively, delivering all the relevant information necessary for a full understanding.

Evidence Acquisition - Proficient students of this skill take evidence from source(s) to sufficiently address the question or problem, with a thorough consideration of its appropriateness.

Evidence Evaluation - Proficient students of this skill evaluate information taken from source(s), provide some justified assertions of its credibility, and give sufficient consideration of the evaluation process itself (such as personal assumptions).

Reasoning/Conclusion - Proficient students of this skill form conclusion(s) logically tied to a range of information, including opposing viewpoints; related outcomes (consequences and implications) are identified clearly.

Then you will be asked to upload the artifacts individually.

Please upload a **minimum of 4** (maximum of 8) selected artifacts to be assessed.

The artifacts must be uploaded separately. Please also supply the banner ID number (XXXXXXXXXX) of the student who produced the artifact. If the project is a group project, input all the banner IDs in the field, separated by commas. Once the banner IDs are inputted, press "Choose File" on the form and select the artifact saved on your computer system.

Note: Formstack allows for uploads no larger than 25 MB at a time. If your student artifacts are large media files, such as videos, please host them elsewhere (e.g., One Drive, Google Drive, Dropbox), and post links to each in the field provided on the form.
